■ A Business Unit of Pennar Industries Limited

Pennar Industries Limited (PEB BU) is a one-stop solution for all the building requirements of diverse customers. Pennar (PEB BU) has emerged as a leader in the area of design, manufacture, supply and installation of pre-engineered buildings and structural steel products.

It is the **first factory in India to receive 'Gold Rating' in 2010 by Indian Green Building Council (IGBC).**

2026

PEB BU has established a world-class manufacturing facility near Hyderabad, Telangana, India. The company's three manufacturing facilities are best in the country with modern technology and high precision equipment sourced from leading suppliers across the world. Spread across 54,000 square mtrs, **with a production capacity of 1,56,000 MT per annum**, the plant is equipped with high precision CNC machines to fabricate and supply quality-replete steel buildings.

■ Applications

The PEB Business Unit serves a diverse range of Industrial, Commercial, and Institutional segments, including manufacturing plants, pharmaceutical facilities, warehouses, clear-span buildings, commercial centers, high-rise buildings, airport structures, defence facilities, sports stadia, data centers, schools and hospitals buildings, steel support structures, and cold-form steel structures.
